

BRITISH AND FRENCH FORCES AGAIN BEAT BACK GERMANS
GERMANS SCORE HEAVILY ON THE ITALIAN ISONZO FRONT

Haig's Forces Attack Early This Morning.

German Positions North and East of Ypres Dealt Heavy Blows.

French, Also, Launch Attack and Make Headway.

(By Associated Press Cable)
British Front in France and Belgium, October 26.—Field Marshal Haig's forces this morning made two separate attacks on the German positions north and east of Ypres.

The first was from a point near St. Janshoek westward through the southern fringe of the Houtholst ridge.

The other assault was on both sides of the Ypres-Meinin highway along the Gheluvelt ridge in the direction of the town of that name.

The British troops as well as the French who also attacked on the left made excellent headway, pushing forward on a wide front.

A group of enemy guns on the high grounds southeast of Gheluvelt continuing one of the main defenses was comparatively quiet. This was probably due to the British heavy bombardment last night. Many explosions were seen in the region of these batteries during the night.

The barrage fire of today was the greatest yet seen. The preliminary bombardment was made more effective by the recent moving forward of the guns over the marshy ground. A brisk wind had dried the ground wonderfully.

The Germans had been expecting an attack and had made preparations for an assault on Monday. British military observers say the Germans had long feared an assault in this dominating region.

Bellevue Spur, west of Passchendaele, which the British entered one hour after the attack began, had been a nest of machine guns from which the Germans in recent battles had swept the country to the westward.

At 7:15 o'clock the Germans concentrated a heavy artillery fire on Bellevue but the British still were fighting onward along the concrete defenses.

TRAIN WRECK ON SOUTHERN IN GEORGIA

Fireman Killed and Several Passengers Injured.

(By Associated Press Dispatch)
Macon, Ga., October 26.—The Kansas City special, south bound, and the Royal Palm, north bound, on the Southern Railway, collided head on at Reed's Station, 11 miles south of Macon this morning.
A fireman was killed and several passengers injured. All wire communications are down to the scene of the wreck.

PLAN TO INCREASE THE SUGAR SUPPLY

(By Associated Press Dispatch)
New York, October 26.—The American Sugar Refining Company this afternoon announced an agreement under which it will, if approved by an international sugar committee now being organized, apportion all raw sugar offered in the market. Under this plan many idle refineries would be enabled to resume operations.

FEDERATION DECLINES TO PARTICIPATE

American Labor Leader Stands Behind Russian Republic.

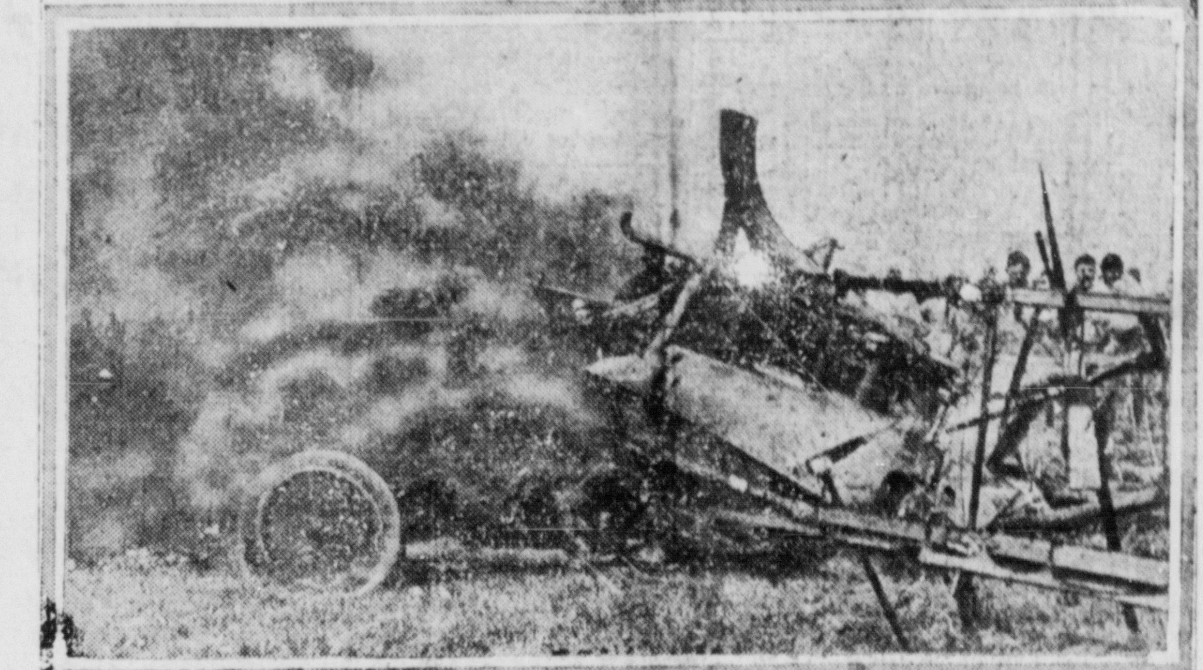

(By Associated Press Dispatch)
Washington, October 26.—The executive council of the American Federation of Labor has declined to participate in an international conference of workers and socialists of all countries, suggested by the executive committee of the Russian Workmen's and Soldiers' Delegates' Council, declaring that in its opinion to hold such a conference now would be untimely, inappropriate and conducive of no good results.
The statement made public at the Federation headquarters says in conclusion:
"We take occasion to again send fraternal greetings to the people and the republic of Russia and our earnest wishes for the success and permanency of Russia's democracy; that we all make energetic efforts in our common cause for freedom, justice and democracy in all of the nations of the world."

SCOTT RESIGNS INDUSTRY BOARD

(By Associated Press Dispatch)
Washington, October 26.—Frank A. Scott of Cleveland has resigned as chairman of the war industries board. Mr. Scott was compelled to resign by ill health.

SCOTT'S SUCCESSOR
Mr. Scott will be succeeded temporarily by Robert S. Lovett, priority director of the Board.
Later Mr. Lovett may be appointed to the position permanently.

WRECKED GERMAN AIRPLANE

WRECKED GERMAN AERO. A German battleplane brought down behind the French lines by anti-aircraft guns. The aviator and his observer were buried under the wreck and burned to death.

THE CABINET CRISIS STILL ON IN FRANCE

Chamber of Deputy Hesitates to Defeat Any Ministry.

(By Associated Press Cable)
Paris, October 26.—Premier Painleve's ministry obtained 346 favorable votes on October 19th and his new ministry yesterday obtained only 288 votes, slightly more than half the votes in the Chamber of Deputies.

The opposition votes numbered 137, partly from the socialists and partly from the radical socialists.

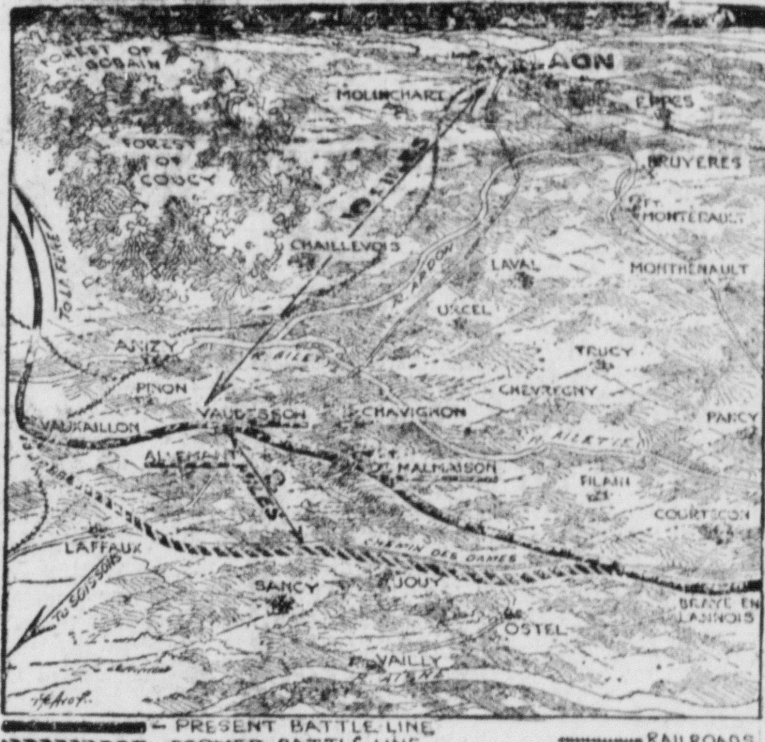

The vote testifies to the hesitation of the Chamber to defeat any ministry by a direct vote during the war.

Premier Painleve refused to be drawn into a discussion of the resignation of M. Ribot, the foreign minister. He began his speech by saying he would put aside questions of person and would not reopen debate on a closed subject as events might appear obscure, which condition it was necessary to avoid during a period of unsettlement. The Premier, spoke chiefly of Alsace-Lorraine.
M. Barthou, the new Foreign Minister, said it was impossible to state at present what guarantees would be exacted against a recurrence of a war like the present one.
The neutralization of certain territories, he added, had been suggested.

PROMPT RESPONSE CERTIFICATE OFFER

(By Associated Press Dispatch)
Washington, October 26.—The first day's response to Secretary McAdoo's offering of an indefinite amount of short term treasury certificates was \$164,797,000.
This brings the total of outstanding certificates to be retired by receipts from the second Liberty Loan bonds up to \$1,799,994,000, or nearly 60 per cent of the loan minimum.

FRENCH DRIVE MENACES LAON

Striking northeast of Soissons, the French have captured Fort de la Malmaison, guarding the westerly end of the Chemin des Dames, and other outworks of the great fortress of Laon, ten miles beyond. Like the British in Flanders, they are driving the Germans from their high positions. Immediately before Laon lies a plain easily crossed.

DEPUTIES HAND RAP TO MINISTRY

Italian Legislative Branch Denies Government a Vote of Confidence.

(By Associated Press Cable)
Rome, October 26.—The government was defeated in the Chamber of Deputies today when a vote of confidence failed by 314 to 96.

The Italian Parliament reopened its sessions two weeks ago. A dispatch from Turin on Oct. 17 said the position of the government was endangered because of serious riots in Turin during August and because of the general food crisis throughout Italy.
The food controller, Giuseppe Can-

epa, resigned owing to the food situation. The dispatch said the government would be called upon by Parliament to justify its action.

NEW COMPANY TO SELL HORSE MEAT

(By Associated Press Dispatch)
Columbus, O., October 26.—The People's Meat and Provision Company of Cincinnati was incorporated for \$10,000 at the Secretary of State's office today to deal in horse meat.
This is the first concern of its kind to be incorporated in Ohio.

INCLEMENT WEATHER KEEPS GOVERNOR AWAY

(By Associated Press Dispatch)
Wilmington, O., October 26.—Owing to the inclement weather here today, the visit of Governor James M. Cox and Major General E. F. Glenn was cancelled.
A mammoth throng was in attendance at the Fall Festival during the day, and was greatly disappointed by the failure of the noted men to appear and deliver addresses this afternoon.

NAMED TO PROMOTE LOYALTY

(By Associated Press Dispatch)
Columbus, O., October 26.—A committee which will have as its sole duty the promotion of patriotism in Ohio, was today appointed by Governor Cox.
The committee will divide the state into sub-districts and appoint a sub-committee in each.
Meetings will be held in public places to promote patriotism. Churches, lodges and all other public organizations, patriotic or otherwise, will be asked to cooperate.
The personnel of the committee is made up of college professors.

"PRIORITY" COAL ORDERS SUSPENDED

From Sunday Midnight Local Fields Will be Supplied for 24 Hours.

(By Associated Press Dispatch)
Washington, October 26.—Suspension of the priority order of shipment of bituminous coal to lake points for 24 hours from Sunday midnight, was ordered today by Robert Lovette, priority director of the war industries board.

MAY HELP SOME

The effect of the order will be to allow many communities in Pennsylvania and Ohio to receive shipments and relieve the severe coal famine reported in a number of localities.
After Monday night the original order will be fully effective except as to slack coal which may be used to relieve local fuel famines.

2ND RESERVE IN EXCESS OF PORTION

(By Associated Press Dispatch)
New York, October 26.—The Second Federal Reserve District had subscribed \$1,114,141.550 at noon today in its Liberty Loan campaign to buy \$1,500,000,000 of bonds.
This district is now more than \$200,000,000 beyond the allotment of \$900,000,000 and the committee is confident the maximum goal will be attained by Saturday night.

Italians Withdraw Their Lines to the Border.

Are Preparing to Evacuate Bainsizza Plateau to Austro-Germans.

Thirty Thousand Prisoners and 300 Guns Taken.

(By Associated Press Cable)
Berlin, via London, Oct. 26.—The Austro-Germans in their offensive on the Isonzo front have captured more than 30,000 Italians, the German War Office announced today.
More than 300 guns also were taken.

WITHDRAW TO BORDER

(Associated Press Cable)
Rome, October 26.—Under the Austro-German pressure on the Isonzo front the Italians have withdrawn their lines to the border in one sector and are preparing for the evacuation of the Bainsizza plateau, the war office announced today.

ON ITALIAN GROUND HEAVY LOSS IN EXPLOSION NO LIFE LOSS

At many places the Germans are now fighting on Italian territory the announcement says.
(By Associated Press Dispatch)
Montreal, Canada, October 26.—Tremendous explosions destroyed a part of the plant of the Canada Explosive Company, at Vaudreuil, this morning.
A special train carrying fire fighting apparatus has been sent from Montreal.
Early reports indicated there had been no loss of life. The company employs about 1500 men.
The damage done is estimated at \$1,600,000.

RUSS ARMY TURNS BACK THE GERMANS

Part of German Naval Forces Anchored in Riga Gulf.
(Associated Press Cable)
Petrograd, October 26.—Russian forces on the Werder coast of Esthonia yesterday repulsed a German detachment, the Russian War Office announced today.
Part of the German naval squadron including some dreadnaughts, the statement adds, is anchored in the bay on the eastern side of Moon Island, in the Gulf of Riga.

WASHINGTON BOY IS NOW LOCATED IN SANTO DOMINGO

Mrs. J. P. Sexton is in receipt of a letter from her son, Clayton Sexton, now located at turbulent Santo Domingo, where he is doing duty in the United States Marine service.

The letter follows:
Santo Domingo, D. R.,
October 14, 1917.

Dear Mother:

Here I am down here away from civilization. I have been at all the principal ports of these islands. We stopped at Guantanamo, Cuba, and Port Au Prince, Haiti, and then here at Santo Domingo City. This is quite a city of about 70,000.

At the present time we are stationed in an old Spanish Fort, named Fort Ozama. There are not very many white people here, all Spanish and Spigoties.

For the first few days at sea there was a lot of fellows got seasick. I was detailed as a coal passer down in the engine room and was kept too busy to get sick. We were on the water about 10 days. We took the train at

THE REXALL STORE

Port Royal and rode to Charleston, S. Ca., where we went on board the... We had a good look at Fort Sumter, when we started. We got here on Columbus Day, and had a look at the casket where his bones are. We get liberty here every day from 2 p. m. till 5 a. m. There is a whole bunch of native prisoners here in the fort. They are mostly here for murder and starting revolutions. They are bad actors. When a guard takes a bunch of them out to work he carries a loaded rifle and has orders are to shoot to kill if they start anything.

This afternoon Patton and myself are going to see the ruins of the battleship Memphis which was wrecked here about a year ago. We had an awful time on the boat. We had to sleep on the floor with nothing but our blankets, and, believe me, it was anything else but comfortable.

We have tents here to sleep in, three to a tent. Talk about hot weather, I never knew it could get so hot as it is here.

We are real marines now, and are liable any day to pack up and go on an expedition back in the hills. There are some hills here that stick up above the clouds.

We saw a whale about 50 feet long off the coast of Haiti. Bananas, oranges, limes and coconuts grow wild down here, also monkeys and parrots. The "spice" catch a lot of fish here in seines. I saw a seine about 600 feet long pulled in last night and they had a wagon load of fish. Well I will close now so I can put my address.

PRIVATE ROBERT C. SEXTON,
Marine Barracks, Fort Ozama,
Santo Domingo City, D. R.
Care Postmaster, New York City.

VOLLEY BALL AT "Y" TUESDAY NIGHT

Physical Director David Parker has announced the volley ball tournament at the Y. M. C. A. on Tuesday night of next week. Instead of the following night, and seven teams will participate in the series.

Those familiar with the game are responding splendidly and many of them are now working out in order to get in practice for the series and cop the pennant.

The public will be invited to witness the games, insofar as the limited number of seats in the balcony will permit.

JAP BUYING SHEEP IN GREENE COUNTY

A Japanese by the name of Kumura, representing the Japanese Bureau of Animal Industry, is now in Greene county for the purpose of buying sheep for exportation to Japan.

Not only is the agent interested in high grade Merino sheep, but is looking for some good Shorthorn cattle.

You can buy or sell and find lost articles with Herald "want ads."

SCHOOLS CLOSE AT MILLEDGEVILLE; NO COAL IS AVAILABLE

The Milledgeville schools have closed until coal is obtained with which to keep the building warm, and this may be a few days or a few weeks.

The Board of Education is preparing to take steps to relieve the situation, but will not permit the school to continue without adequate heat in the building.

Virtually all other schools in the county have at least a temporary supply of coal or other fuel, and hope to continue in session without further interruption, although coal in large quantities must reach the schools within a short time in order to keep the majority of them from closing down.

FARMERS WILL FEED MUCH OF CORN CROP

According to statements made by farmers in various parts of Fayette county, the bulk of the corn crop this season will be fed to cattle and hogs, particularly the latter, as most of the farmers are confident the porkers will continue to be high priced until after the war is over.

Regardless of the fact that a vast amount of corn will be fed on the farms, there will also be a large amount for market, and the first of this corn is expected within a short time.

ANOTHER COLORED MAN IS INCLUDED

George Moore, colored, residing in this city, is the eleventh member of the contingent of colored men who will leave this city Monday of next week for the training camp at Chillscothe.

His name was overlooked when the original list was compiled, and the discovery not made until late Thursday afternoon. He will report Sunday evening when the other members of the contingent report to the local board.

LARGE NUMBER OF AVIATION STUDENTS ON WAY TO FRANCE

A large contingent of cadets from the Wilbur Wright training camp near Dayton is preparing to depart for the East with the view of early sailing to France for the spring offensive when a host of airplanes will be utilized by the United States in its drive against the Germans.

It is said the contingent is sufficiently large to destroy the Krupp gun work at Essen in a combined attack from the air.

INCORRIGIBLE GIRL SENT TO DELAWARE

Osa Jackson, 15, colored girl who has been an inmate of the county children's home, and has given a great deal of trouble, was taken before Probate Judge Allen, this week, and sent to the Girls' Industrial school at Delaware, as an incorrigible.

PARTITION SUIT IN COMMON PLEAS

Alice Thacker, in the court of common pleas has filed suit against Iris Ervin, Bessie F. Westhafer, Harry Dane Parrett, Mattie K. Parrett, Omer Thacker, Ford Ervin, William Westhafer and Alice Parrett asking for the partition of the estate of the

late Lewis Parrett, of lower Paint township.

The plaintiff, who is represented by Post and Reid, states that she is a daughter of the deceased and is entitled to the undivided one-fourth of the estate of the deceased. The widow, the plaintiff cites, is entitled to her dower interests in the estate. Plaintiff states the personal property of the deceased is worth about \$18,000, and asks that certain sums advanced to various defendants be counted in on their portion of the estate.

Plaintiff also asks that her interests in 337 acres of land on the Prairie pike, of which she claims one-fourth be set aside.

CHILDREN MUST STOP CELEBRATION

Chief of Police D. L. Moore issued instructions Friday prohibiting youngsters from premature Hallowe'en celebrating, and those caught disturbing citizens by pounding on verandas, soaping windows and otherwise interfering with the peace and quietness of the city, prior to Hallowe'en night, will be rounded up and taken to the Mayor's office for punishment.

For several nights quite a number of youngsters have been visiting house after house and creating a disturbance, soaping windows, throwing corn, and otherwise disturbing citizens.

SUBSCRIPTIONS TO LIBERTY LOAN WILL END SATURDAY EVE

All persons who wish to be parties to the second issue of Liberty Loan must turn in their subscriptions by Saturday night, that being the time when the banks cease to take further subscriptions to the loan.

The subscriptions are still coming into the banks and committees, and it is expected that by Saturday night the total subscriptions will be well above the minimum allotment in this county.

The farmers have done their part nobly in subscribing to the issue.

SELDEN DISTRICT TO VOTE NOV. 6

In accordance with a resolution adopted by the Selden Board of Education, that school district will vote on the question of centralization of its schools and the issuance of \$30,000 in bonds for the erection of a handsome new school building at some point in or near Selden.

The election will be held on November 6th, the day of the general elections, and much interest is being manifested in the outcome.

Architect E. S. Mathena, of Columbus, has been employed to furnish preliminary sketches and plans of the new building proposed.

ASKS DAMAGES IN THE SUM OF \$5,000

George G. Willis, of Greenfield, in a suit filed this week, asks \$5,000 damages from the D. T. & I. railroad.

Willis was employed as a carpenter on a D. T. & I. bridge and in making a misstep fell some 20 feet to the earth below, sustaining severe injuries.

RESOLUTIONS OF RESPECT

Whereas, our Heavenly Father in his wise providence has seen fit to remove from our midst our late sister Jennie C. Parrett, therefore, be it resolved:

That we, The Women's Christian Temperance Union, of Good Hope, Fayette County, Ohio, do extend to the bereaved family our deepest sympathy.

And further be it resolved: That a copy of these resolutions be engrossed upon the minutes of our society and published in the Daily Herald.

H. AVER - DRUGS

In Social Circles

A charming post-nuptial affair was given Thursday night in honor of Albert Flowers (Donna McMurray) a bride of last week, at the home of her parents, Mr. and Mrs. A. F. Murray on West Elm street.

It was a complete surprise to Mrs. Flowers to find thirty guests awaiting her upon her return from a honeymoon, but she rose to the occasion and in a very gracious manner thanked the guests for the beautiful gifts bestowed upon her.

Fortune telling by a witch and a fortune teller was effectively carried out in the house decorations and in the luncheon served.

Mrs. Jack Stone and little daughter, Martha, assisted Mrs. McMurray in the evening's hospitalities.

Mrs. Jennie Mark extended the hospitality of her home to the Queen of the Sunday School Class of the Christian Church Thursday afternoon when they entertained the women of the church and their friends at a very enjoyable kensington.

The purpose of this kensington was to help in the raising of five hundred dollars for building fund which the class has pledged themselves to raise and with the silver offering taken at this meeting the amount is almost complete.

Seventy women enjoyed knitting, and visiting together as well as helping a good cause.

Dainty refreshments were served.

The assisting hostesses were Mesdames W. E. Robinson, Chas. Lewis, Jasper Blackmore, Carson Maddox, and Dan Mark.

A bride of this month, Mrs. Heber Roe (nee Veldah Wilson) was given a most delightful surprise and shower Thursday night at her home on S. Main street by the girls of the Ohio State Telephone office, with which she was formerly associated.

Miss Mary Wilson, a sister, assisted the Phone girls in making the affair both a complete surprise and a success.

Mrs. Roe was showered with gifts both useful and beautiful and an appetizing lunch was served.

Twenty-five young women participated.

Get Your System in Good Shape Before Cold Weather Comes

Warm weather has a debilitating effect on most people and as a result they are not in a condition to face the months of sudden changes and severe weather which are ahead.

It would be well for such people to build up their health as promptly as possible and store up sufficient vitality to ward off cold weather ailments. For their purpose we recommend

Opposite Court House. That's My Business

selve to devote their time to it during this last week of the "drive."

The presentation of an engraved wrist watch to Mrs. George Zimmerman, of Fremont, retiring president, the gift of her executive board and flowers sent by the big Educational Club of Toledo of which Mrs. Prentice Road, is president, were pleasant breaks in the business sessions.

An invitation from Coshocton for the 1918 convention was turned over to the executive board.

Social features were prominent.

At Stan Hywet Hall, the magnificent Tudor mansion of the Frank Seiberlings, a notable house party was gathered all during the convention and at teas on Wednesday afternoon all delegates, alternates and visiting club women were welcomed by Mrs. Seiberling and Miss Irene Seiberling.

The view at Brighton Farm at Turkeyfoot lake, will not soon be forgotten by the visitors who enjoyed the hospitality of Mrs. F. H. Mason and her daughter, Mrs. H. K. Raymond. The tea at Brighton Farm followed a visit to famous Anna Dean Farm, the home of Mr. and Mrs. O. C. Barber.

The banquet at Firestone Club house closing with a talk by Beatrice Forbes-Robertson Hale and an unusual and very beautiful entertainment by Akron talent, was a fitting climax to a week of wonderful inspiration.

The president, Mrs. Prentice Road, of Toledo, was summoned to Chillicothe by telegram from Major General Glenn. She left immediately after the close of the convention to go over with him the plans whereby women of the state may most effectively co-operate with the army in maintaining high moral standards and physical fitness.

Mrs. Roy T. McClure, Mrs. Orme Brown and Mrs. R. S. Sanderson were hostesses at pretty Red Cross teas this afternoon.

The cheer of the indoors amply compensated for braving the raw disagreeable weather.

PERSONALS

Mrs. B. F. Davis went to Columbus Friday to visit her daughter, Miss Kathleen, and to see "Pollyanna" at the Hartman.

Mr. Gerard Robinson of Mt. Gilead was a visitor here Thursday.

Miss Madine Mottis of Cleveland, State L. T. L. Secretary, enroute from Springfield where she has been attending convention, is the week-end guest of Miss Ethel Spray.

Messrs. Floyd Miller, Chas. Rinehart, Russel McKee and Paul Jones, attended the Fall Festival in Wilmington Thursday evening.

Mrs. Frank Cox and daughter Lilian are visiting in Wilmington the guests of Mrs. Oscar Howard and to attend the Fall Festival.

Mr. Walter Girard has been a business visitor in Chicago this week.

Mrs. Hugh Smith and Mrs. J. E. Davey were the guests of Mrs. Martha Patton in Columbus, Wednesday and Thursday.

Mrs. Frank Michael and Mrs. Elton Marine attended the National Dairy Show Thursday.

Mrs. S. E. Taggart, President of the County W. C. T. U., returned Friday night from Springfield where she attended the State W. C. T. U. Convention.

Mr. and Mrs. Scott Ball and son, Ralph arrived Thursday evening from Centerville, Mo., to visit Mr. and Mrs. George Donohoe and other relatives.

Mrs. Gaddis Henry and little daughter arrived from Akron Thursday to join Mr. Henry, who has accepted a position in the men's furnishing department of Craig Bros. They were the guests of Mr. and Mrs. Ray Maynard Thursday night. Mr. Henry has rented the Culhan house furnished for the winter.

Dr. Ida Ellis Bush, of Jacksonville, Fla., has been the guests of her sister, Mrs. Alonzo Moore, this week enroute from a summer spent in Fairbanks, Alaska. She takes her mother, Mrs. Mary Ellis, back with her to Jackson ville to spend the winter.

Mrs. C. P. Ballard and mother Mrs. A. P. Rusk, of Zanesville, were visitors in Cincinnati this week.

Mrs. Frank E. Haines attended the State W. C. T. U. Convention in Springfield this week as delegate from Sugar Grove Union.

Mrs. Spencer Calvert is in Grant Hospital Columbus, taking special medical treatment for a couple of weeks. Miss Ethel Calvert is with her mother.

Mr. and Mrs. N. S. Barnett and grandson, Edgar Earl have been among the week's visitors at the National Dairy Show.

Mrs. Arlie Southerland and Mrs. Mary Cutting are the week end guests of Mr. and Mrs. A. W. Clouser

Mr. and Mrs. J. M. Baker and son Warren, were guests at the National Dairy Show the past two days.

Mrs. H. E. Schenck returned to Springfield Friday morning after a brief visit with her sister, Mrs. W. B. Hershey.

Mr. and Mrs. George McCoy, Mr. and Mrs. Arthur Simmons are motoring guests at the Wilmington Fall Festival today.

Messrs. Charles McLean and Roy Hagler made a business trip to Ripley, O. this week.

Miss Augusta Linscott of Wellston is the guest of Mrs. Hiram Rogers, Good Hope.

Mr. and Mrs. Verne Jones (nee Ethel Martindale) are receiving congratulations on the birth of a son, Thursday morning at their home in Milledgeville.

Mr. R. E. Barnes, of Milledgeville has returned from a few days visit with his brother, Mr. F. H. Barnes in Columbus.

Mrs. Fred Warning of Milledgeville was a shopping visitor here Thursday.

Miss Dorothy Parrett, of Lyndon, is the guest of Misses Mary and Charity Stuckey.

Mrs. Wm. Burnett and daughter, Mrs. Clarence Dunton, of Milledgeville are visitors here today.

Dr. and Mrs. D. H. Rowe, Mr. and Mrs. Harry F. Brown, Mr. and Mrs. C. W. Lewis are in Columbus to attend the National Dairy Show.

Mr. Edwin Weaver will spend Saturday in Chillicothe and will be met by Misses Mary Weaver and Juliette Mayer, of Delaware, who will accompany him home to spend Sunday.

Miss Mary Dahl has returned from a visit of several days in Chillicothe.

A THING OF BEAUTY A JOY FOREVER

Since "A Thin of Beauty is a Joy Forever" Lyman H. Howe's new production to be presented at the High School Auditorium on Nov. 1st may properly be described as a rich treasure trove of beauty and art. It takes spectators "Far from the madding crowd" to the serene grandeur of Alpine peaks robed in ice and snow, then to the equally restful scenes of nature in more idyllic mood as exemplified by the gorges and cascades in Southern France, which are portrayed in nature's own tints of surpassing loveliness. Then approaching closer to the events of today, they will be piloted to "Somewhere in the Atlantic" to for a new and fresh acquaintance of life aboard Uncle Sam's floating fortresses, alert and aligned for momentous action; also to the U. S. Naval Academy at Annapolis to see how midshipmen are trained to become officers of the fleet; to the real wild west to witness thrilling contests in broncho breaking by the most expert cowboys and cowgirls; to the lumbering industry in Maine; and take a ride over the Cascade Mountains in Washington. Interspersed with the sedate subjects, a legion of entirely new animated cartoons will romp and ramble gaily, enlivening the entire program by their merry antics.

SEND IN FINISHED KNITTED ARTICLES NOW

Because of the scarcity of yarn and the unavoidable delays in getting it, the National League for Women's Service is calling in all finished knitted articles to forward to Co. M.

There will be enough for every Fayette County man to have some knitted article, and Capt. Hardway can distribute them as the boys most need.

All who have finished sweaters, Mufflers, wristlets and helmets for Co. M send to work room in Memorial Hall by Monday, October 29, as they will be shipped the first of the week.

Work days for the League are Monday and Tuesday of each week.

There is plenty of material for surgical dressings and work for all who are willing to give some time for this patriotic service. Pledge at least one half day each week.

EXCAVATION WORK PROCEEDS RAPIDLY

The excavation work on Market street is proceeding at a very rapid rate, when weather permits, and the skill with which the operators manages the big steam shovel is just a little ahead of any such work ever witnessed in this city.

The work of removing the northern portion of the street from the court house ally to North street was nearly completed Friday noon, and with the weather permitting it was expected that the shovel would make the turn and be on the way back on the south side of the street before sundown Friday evening.

Here Are Two Lots of High-Grade Coats Purchased in New York Last Week

50 to Sell at \$20

Remarkably good coats of wool velour, kersey velour, broadcloths, and heather mixed trimmed kir- ammi and fur. These are mighty good values and the stock of them will be radically reduced by tomorrow night.

50 to Sell at \$25

Breathe Mountain Air

IN YOUR OWN HOME—NEW OZONE ATTACHMENT TO VIOLETTA HIGH FREQUENCY GENERATOR ADMITS OF PRODUCTION OF OZONE IN ANY QUANTITY AND WHENEVER DESIRED.

In these days of war horror, we hear much of new scientific inventions for the destruction of life in wholesale slaughter until it seems that our scientists are mad for the spilling of human blood. It is our opinion that the greatest possible triumph in scientific research is that which militates toward the conservation of life and a splendid example of this is the new Violetta High Frequency Generator which, beside generating direct electricity, can be utilized for the manufacture of oxygen in any amount required and wherever and whenever desired. AIR, FOOD and WATER are the 3 essentials for living. We can exist weeks without food, days without water, but only a few minutes without air, and for perfect health, all these must be pure. Everyone knows that pure air means the proper oxygenation of the blood. A person who is suffering from oxygen starvation is weakened by lack of nourishment and is self-poisoned by the waste matter in the system. Every person in chronic poor health is suffering from oxygen starvation, and for this reason, all health writers and all physicians advocate deep breathing. The Violetta High Frequency Generator, which we have previously described, is provided with an Ozone Attachment which generates enormous quantities of Ozone. By the use of this it is driven into the tissues or inhaled into the lungs and in this way combined directly with the blood, enriching it, arousing the sluggish circulation and instilling vigor into the tired frame. WHERE THERE IS OZONE, GERMS AND TOXINS CANNOT EXIST. For Colds, Catarrh, Asthma, Hay Fever, ozone treatments cannot be excelled; and for Tuberculosis, its beneficial effects are wonderful. Anemia, chlorosis, insomnia and nervous debility vanish under its continued application. It goes to the very foundation of health and places within your reach Nature's most potent force for the cure and prevention of disease. Combined in the one machine, the patient may receive the benefit of the Violet Ray induction and also of the manufacture of fresh mountain air at will. To weakened constitutions, consumptives, fever patients and invalids generally, think what the effect in curative properties, of a supply of fresh mountain air would be. The Violetta High Frequency Generator is provided with specially designed electrodes as General Electrode, Comb-Rake, External Throat, Eye, Urethral and Vaginal Electrodes for various treatments, and the Ozone Attachment. It is in use by all up-to-date Physicians, barbers, hair-dressers, beauty specialists, etc. and is so moderately priced that any person may have one in the home. We have touched but lightly upon its wonders but full particulars and illustrations will be sent upon application by Bleadon-Dun Co., 11-17 S. Des- plaines St., Chicago.

Deplorable Conditions

The condition of the coal market in Washington, so far as supply was concerned, could scarcely have been worse than it was on Tuesday and Wednesday of this week.

No coal was to be had. Local dealers were almost beside themselves on account of their inability to afford near frantic patrons any relief or to offer any promise of a change for the better in the future.

Hundreds of families in Washington actually suffered with the cold during Tuesday and Wednesday.

The officials hoped, in spite of the stern facts, that surely government officials would loosen up enough to supply our urgent needs.

Mayor Oster had in his possession a communication from Attorney General McHugh stating, in effect that state authorities were helpless, in view of the assumption of all power by the federal authorities, to furnish any relief. Throngs of citizens from all walks of life, the poor, the well to do and the rich alike felt the pinch of want. There was no coal to be bought at any price. The millionaire and the pauper were fellow sufferers.

All during Tuesday night, according to rumor, citizens helped themselves out of the cars loaded with coal, standing on the side tracks and there was no objection.

The opinion was universal that the authorities should seize coal in transit, do it promptly and seize enough to insure against a return of present conditions.

Next Week

All the residents of Fayette county, in the urban and rural sections alike are going to join in the great campaign next week to bring Mr. Hoover's great army of assistants, in the work of conserving the nation's food supply, up to the required standard.

Fayette's quota, for that great army is like that of every other county in the nation—it includes every family in it.

The soldiers in this great home army pledge themselves to live economically—not deny themselves any necessity but to so order their affairs at home, in the kitchen and pantry of their homes, that there will be no waste and so that the members of the army—the consumers of America—may keep in touch with the supply and arrange their demands to insure a continuance of the present plenty.

Mr. Hoover and his assistants are organizing so that the people may not, by waste and injudicious demand, bring on, needlessly, a condition which will cause a shortage in food stuffs.

The people by this method of co-operation "administer" their own food supply and prevent speculators from controlling the market price.

The time has not yet come when the people of the United States need want for any thing and that condition is not yet in sight. We want to keep conditions just that way so that every American family can have plenty and "tote" the load of the world demand beside. It is up to us whether we do our part or not.

We should, none of us, get discouraged because some conscienceless food pirate is getting rich by extortion. Leave such traitors to the government to handle and do our own part to the best of our ability.

Every family in the nation at the close of next week should be enlisted in the great home army of conservation.

Weather Promises

On Thursday morning the bright October sun broke through from behind the banks of gray clouds which had obscured its rays for several days, the cold winds stopped blowing out of the north and east and the hopes of folks hereabouts for a return of a spell of Indian Summer weather were revived.

It seems too early yet for winter to come although we are fast approaching the first of November.

October, has sent us some beautiful weather, some warm sunny days, that made the red and gold foliage of the woods seem brighter and the fall flowers more glorious but along with those beautiful ideal autumn days has been "sandwiched in" some very raw, cold, gloomy days—days that made fires, if we were fortunate enough to have coal in the bins, comfortable and necessary.

We can't help thinking that nature has a pleasant surprise in store for us in some more real fall weather that will be released on us when we are least expecting it. Nature may yet take a hand in helping poor men solve the fuel problem by reducing the demand for fires to warm us.

Warm weather during the latter part of October and nearly all of November would not only be enjoyable but it would be of tremendous assistance to the nation and the people in the great eastern and middle western section who are sending their coal to the northwest and to Canada in advance of the coming of weather which will close the lakes to navigation.

Poetry For Today

AIM LOW, TAKE TIME, FIGGER.

"I 'low," says pap, them German boys
 Jist shoot their guns to make a noise
 They stick the muzzles in the air
 An' bang away, most anywhere;
 An' when the 'tarnal shell comes down
 It hits a cow or hits a town.
 It makes no difference whar it falls,
 Jist so the noise and smoke appeals
 The fellers on the other side,
 An' makes 'em hunt their holes to hide
 Or skeers 'em so they'll fairly 'tar
 The danged holes out a-gittin' thar.
 I call to min' a bloody scrap
 In '63 at Hoover's Gap.
 They sent us word to hold the hill
 An' fight the Johnny Rebs until
 Some re-enforcements on their way
 Could ramble up an' save the day.
 We held the pass, but at a cost—
 I disremember what we lost—
 An' though the odds w'ar five to one,
 We blazed away—we couldn't run.
 The Rebs fit well, but when the scrap
 W'ar over thar at Hoover's Gap
 We all agreed it wasn't luck
 That won the fight, nor was it pluck;
 But from the fac' that every one
 Of us could shoot a squirrel gun.
 Now listen, boys, when you're in
 France,
 Pick out your man—don't shoot by
 chance.
 Aid low, take time, an' figger well,
 Then let 'er go an' give him hell.
 Jist line your sights up with his vest
 and pull! Yer gat will do the rest.
 —St. Louis Post-Dispatch.

MISS FLORENCE WADE

She Boosted the Liberty Bond Sale in St. Louis.

Miss Florence J. Wade, youngest of the federal reserve chairmen of the women's liberty loan committee, has achieved remarkable results in her campaign in the St. Louis district, her home. She originated the plan by which any person may buy liberty bonds on a payment of 1 per cent of the amount subscribed and of 1 per cent a week thereafter until the bonds have been paid for.

OHIO NEWS

(By American Press)

Almost Decapitated.
 Columbus, Oct. 26.—A woman killed by a street car here was identified as Mrs. Cornelia Marot, 48, wife of John R. Marot. The woman was almost decapitated when run over by the car.

Veteran Editor Dead.
 Hazletville, O., Oct. 26.—H. O. Harden of Stoutsville is dead, aged 75. Mr. Harden was editor of the Fairfield-Pickaway News and president of the Ninetieth O. V. I. Regimental association.

Woman Shot.
 Middletown, O., Oct. 26.—Mrs. Abbie Short was shot and killed here. Arch Holland, policeman, has been arrested. Officers say Holland went to her home and asked Mrs. Lulu Holland to withdraw a warrant, and that a quarrel followed.

Auto Driver Drowns.
 Ironton, O., Oct. 26.—William Rose, a taxicab driver of Huntington, W. Va., was drowned in the Ohio river at Coal Grove under peculiar circumstances. He ran a seven-passenger touring car down the Coal Grove grade to cross the river on the ferry boat, but his brakes refused to work and the car dashed over the float into the river.

Says Sunday Movies Illegal.
 Cleveland, Oct. 26.—Sunday shows, movies, vaudeville or "legit," are illegal in Ohio. This is the ruling of Judge Leighley of the court of appeals in affirming the judgment of the lower courts in the case of Wm. Standen of Medina. Standen was fined \$25 for operating a movie on Sunday. Judge Leighley's decision upholds the state law forbidding theatrical or dramatic entertainments, a law enacted before the movies came into existence.

Fear Mob Violence.
 Elyria, O., Oct. 26.—Accused of the murder of Mary Kocher, pretty Lorain schoolgirl, O. C. Dieschley, former railroad detective, was smuggled into Elyria jail by Sheriff Whitney, who arrested him at Garrett, Ind. Dieschley was placed in solitary confinement, and extra deputies were stationed at the jail to guard against possible mob violence. Threats have been numerous since the Kocher girl's mutilated body was found under a clump of bushes on a lonely road near Lorain two weeks ago.

Officers Elected.
 Springfield, O., Oct. 26.—Mrs. Florence D. Richards of Columbus was re-elected president of the Ohio Woman's Christian Temperance Union at the business session of the forty-fourth annual convention of the organization. The other officers, all of whom were re-elected, are: Mrs. Frances Ensign Fuller of Madison, vice president; Mrs. Viola D. Romans of Columbus, corresponding secretary; Mrs. Sara K. Meredith of Canton, recording secretary; Mrs. Emma Loomis of Berea, assistant recording secretary, and Mrs. Florence P. Jaffe of Boston, treasurer.

"GAS AND FLAME" REGIMENT RECRUITS

By Associated Press Dispatch.
 Columbus, O., October 26.—A "gas and flame" regiment is being recruited here for immediate service in

France against the enemy. A call has been sent out by Major E. J. Atkinson, commanding officer of the Thirteenth Regiment of engineers, asking skilled men—chemists and engineers—to enlist. It is planned to be "over there" by Thanksgiving, if enlistments come in fast enough. The Thirteenth is the pioneer in the "Gas and Flame" service and offers unusual opportunities to skilled men.

Major Atkinson's appeal advises that "The regiment will be required in the field of operation to supervise the American offensive in "Gas and Flame" service and will be called upon to instruct men all along the front in this most important work. Consequently, these men, all volunteers, will be in the thick of the greatest activities."

The following may qualify for service: Chemists, chemical workers, powdermen, gas manufacturing employees, machinists, automobile repair men, gas and steam engineers, pipe fitters, electricians, designers, carpenters, blacksmiths, plumbers, boiler makers and chauffeurs.

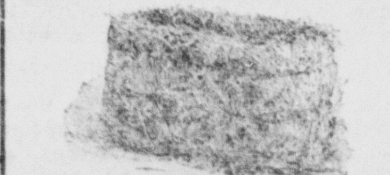

KINE BOSTICK'S ILLS HAD TO QUIT THEIR TRENCHES

And a Single Bottle of Nerv-Worth Promptly Drove 'Em Out.

Many a sufferer has found comfort and better health in this famous family tonic. Here is a signed statement to that effect.

"I have been troubled with rheumatism in a severe form ever since I was 21 years old; first in my hip, back and neck. I was very nervous and in a rundown condition. I spent a great deal of money with the doctors and tried all kinds of remedies, but they gave me no relief. Could not sleep long enough to give me any rest. I purchased a bottle of Nerv-Worth and want to say it brought the answer. My rheumatic pains are gone and I am no longer nervous. Sleep well and eat heartily and enjoy my food. Feel strong and vigorous. Can work hard and feel no ill effects. I recommend Nerv-Worth to all suffer-

SPEECHES BARRED

(By American Press)
 New York, Oct. 26.—The refusal of representatives of Morris Hillquit, Socialist candidate for mayor, to give assurance that he would not talk in opposition to the war was the reason Major General J. Franklin Bell, commanding Camp Upton, declined to allow him to address the soldiers of his cantonment.

WOMEN HAVE THEIR TROUBLES

Not only middle-aged women, but younger ones, too, suffer from backache, pains in side, swollen ankles, sore muscles, rheumatic pains and kindred ailments without knowing that these are most often the result of deranged or overworked kidneys. Foley Kidney Pills are good medicine for kidney trouble. Blackmer & Tanquary. advt.

WILL IS HELD TO BE INVALID

In the case of Laura Reichert against Andrew J. Kellhofer, et al., the jury this week declared the will of the late Jacob Kellhofer, drawn March 26, 1917, to be invalid and set it aside on the grounds that it was not the last will of the deceased.

No motion for a new trial having been filed, judgment was entered in accordance with the verdict of the jury.

THE ELECTRIC PLANT MAY BE FORCED TO CLOSE DOWN

Manager Estberg Is Leaving No Stone Unturned to "Get By."
Give Notice if Compelled to Quit Saturday.
Appeals to State Fuel Administration Prove Unavailing.
City Faces Prospect of No Light Power or Central Heat.

The Washington Gas & Electric Co. is nearly out of coal. The visible supply is sufficient to last only until tomorrow noon, but the company expects to be able to borrow enough coal to run until about midnight of Saturday at least. There is still a chance of receiving a shipment Saturday, but it is not at all certain. The Electric Company has orders placed

with several coal companies operated in the Hocking, Jackson and Hazard districts, but it has seemed impossible to get shipments started. One coal company claims to have a few cars started, but no trace of them has been found.

Every effort is being made to locate cars. An appeal was made to the Ohio Fuel Administration, but they were unable to render assistance aside from the general order to distribute Monday's production to Ohio consumers.

The Electric Company has been very low in stock several times during the last year and each time has been able to "go over the top." No stone will be left unturned to maintain operation and it may be assumed that service will be continued unless notice to the contrary is published.

FAREWELL RECEPTION FOR COLORED MEN CALLED TO SERVICE

Thursday night a very enthusiastic farewell reception was tendered the Fayette colored men who will leave for the military training camp at Chillicothe, Monday afternoon of next week.

The A. M. E. Church was too small to accommodate the large crowd which assembled to show their appreciation of the men who will go forth to fight, and to die for their flag if necessary.

The speakers of the evening were Hon. C. A. Reid, Dr. L. P. Howell, Attorney J. T. Oatmeal and Sanford Evans. Music added to the impressiveness of the occasion.

The women of the church prepared and served a sumptuous luncheon during the evening.

The church was appropriately decorated with the national colors, and the men who will form the first colored contingent from Fayette county were the center of attraction throughout the evening.

HI GLEE CLUBS BOOK CONCERT CO.

The Washington High School Glee Clubs have engaged the Samloff Concert Company which will appear here on November 10th. The leading soprano with the Samloff Company is Miss Bertha Farnor who won so many admirers here by her superb singing when she appeared here with the San Carlo Grand Opera Company.

STORY-TELLING HOUR

The children's story telling hour will be held Saturday morning from 9 to 10 o'clock at the Public Library. Miss Ethel Spray will be assisted in the story telling by her guest Mrs. Nadine Motts, of Cleveland.

A classified will secure help for you, why not try one today.

BANNER CONVENTION W. F. M. SOCIETY

The 42nd Annual Convention of the Woman's Foreign Missionary Society of the Chillicothe District, which was held Thursday in the Grace M. E. Church was considered the best convention that the Society has ever held. An unusual number of delegates and out-of-town guests were in attendance from Williamsport, Mt. Sterling, Chillicothe, Bainbridge, South Salem and Kingston.

The morning session was devoted chiefly to business and at noon a box luncheon was served cafeteria style in the church basement.

The afternoon session was largely attended and some especially interesting topics were discussed. Mrs. Andrew Mitchell a very able talker presented her subject, "The Advantages of Grouping the District," in a very pleasing manner.

A duet, "Lead Kindly Light" was sung beautifully by Mrs. Laura Gregg and Mrs. Corrine Larrimer, with Mrs. Morna Chapman accompanist.

Mrs. W. S. Fisher a very fluent talker gave a splendid review of "Our Text Book." Mrs. E. S. Hulshizer was unable to attend, so the subject "How Can We Reach the Children," was omitted.

In the report of the young people's work, the interesting announcement was made that the Young Woman's Foreign Missionary Society of Washington won the banner as having the greatest number of new members.

Mrs. Frank Kennedy was elected as a delegate to represent the Chillicothe district at the Cincinnati branch meeting to be held at Zanesville next year. Mrs. Scott Hopkins was elected alternate.

The closing number the Pantomime "Oh Zion Haste" under the direction of Miss Fern Sunkle was one of the best of the program. Seven young girls, Virginia Hays, Mary and Jane Durant, Jeanette Haver, Helen Kearney, Ruth Tanquary and Mable Sunkle in long white robes posed gracefully while Mrs. Jack Boyd sang softly "Oh Zion Haste" with Mrs. Morna Chapman accompanist.

The election of officers for the coming year resulted in the following: Mrs. M. S. Fisher, President; Mrs. H. L. Sheldon, Rec. Secy.; Mrs. John H. Dunlap, Dist. Secy.; Mrs. Frank Pake Dist. Treas.; and Mrs. Minnie McClimans, Secy. of Literature.

It was voted to hold the next convention at Mt. Sterling.

MEMOIR

Mrs. Ollie Belle Cash, daughter of Gideon D. and Eliza F. Hoskins Ater was born October 9, 1878 and departed this life at her father home near Atlanta, Ohio, Pickaway County, age 39 years and 13 days. She united with the M. E. Church of Atlanta during the pastorate of L. W. Miller was married to Jacob E. Cash of Washington C. H., January 19th, 1913. He together with the family, caring and doing all that kind hands and loving hearts could do to relieve her sufferings. She was kind, patient, and appreciated all that was done for her during her serious illness. Saying to the writer "I am trusting in the Lord."

Among her relatives and friends are to be found her husband, father, five brothers viz. Charles, Loren and William of Atlanta, Edward of Louisville Kentucky, Earl of Camp Sherman, Chillicothe and three sisters, Carrie E. wife of Edward Goldsberry Chillicothe, O.; Myrtle M. wife of Ward Willis, Mt. Sterling and Vonnie May at home.

After the death of the mother, Nov. 18, 1902 she endeared herself greatly to the family caring for them lovingly, she being the oldest daughter.

Many dear and near friends are in deep sympathy with her loved ones. Many are the friends she befriended during her stay with us here by her work, help, good cheer and love.

O how she will be missed, only those realize that who knew her best. And so we tell her presence day by day

 God's healing touch is sent us that we may
Be stronger yet

 To do our work, to help, to cheer,
To love, and thus in memory of her so dear
Bring Heaven near.

Funeral services held at Atlanta Church Thursday afternoon at 1 o'clock, conducted by the pastor, Rev. P. W. Drumm.

Interment at New Holland cemetery.

The husband and family wish to thank all the friends who aided them in the time of their deep affliction and also the singers, and those who gave flowers.

 "Then steal away give little warning
Choose thine own time
Say not good night, but in some brighter clime
Bid us good morning."

"I HAVE NEVER FELT BETTER," CORBETT SAYS

Springfield Man Tells How Tanlac Put His Stomach Back in Shape and Improved His Health.

"I couldn't even eat an apple or take a drink of water without getting sick at my stomach before I took Tanlac," said Clayton Corbett, 1269 Dayton avenue, Springfield, O. Mr. Corbett is employed at the Iron Works.

"After eating food would come up in my throat and it felt hot," Mr. Corbett continued. "I'd feel dizzy after eating, too."

"I also was bothered with nervousness and I felt weak. I'd just be so tired that when I sat down in a chair I didn't want to get up at all."

"My daughter persuaded me to try Tanlac. Tanlac seemed to help me right away. Before the first bottle was gone I saw that my stomach was improving. I took six bottles altogether and my stomach got better right along."

"I don't think I ever felt better in my life than I do now and I recommend Tanlac."

If you are not feeling right get Tanlac today and get back your health. You can get Tanlac at Blackmer & Tanquary's, Frank Christopher's drug store or C. S. Haver's drug store.

A Classified will sell it for you.

SUFFRAGE LAW OF INDIANA HELD INVALID

By Associated Press Dispatch.
Indianapolis, Ind., October 26.—The Indiana Women's Suffrage law was held to be unconstitutional by the Indiana Supreme Court today. As a result thousands of women who expected to vote at the municipal election next month will not be permitted to do so.

The supreme court held that, under the present constitution which defines voters as "male citizens" the legislature did not have authority to confer the franchise on women as it attempted to do when in session in 1917.

WILL BE BURIED AT OLD HOME

Mrs. Mayme Haines, widow of the late Alpheus Haines, died at her home in Oberlin, Wednesday.

The sad news brought sorrow to a large number of relatives and friends in Bloomington, the life long home of Mrs. Haines, and also to many in this city.

Since the death of her husband Mrs. Haines and her only daughter, Edna, have made their home together, and for some little time in Oberlin, where Miss Edna has been teaching.

The only son, Wilbur, resides in Idaho.

The body arrived on the 3:43 Friday afternoon and was taken to the home of Mrs. Haines' sister, Mrs. Amelia Gregg, in Bloomington, where funeral services will be held Saturday morning at ten o'clock.

Burial will be made in the Bloomington cemetery.

WILL TAKE OVER THE PROPERTY OF CENTRAL POWERS' ALLIANCE

(By American Press)
Washington, Oct. 26.—Holdings of subjects of Bulgaria, Turkey and Austria in the United States will be seized, together with Germany's property, A. Mitchell Palmer, alien property custodian, announced. Palmer's decision regards Bulgaria, Turkey and Austria as enemies, although the United States has never formally declared war against these three allies of Germany.

Bulgaria, Turkey and Austria have vast stores of war supplies in the United States. These, as in the case of the German property, will be affected by Palmer's new ruling.

The dividends from their investments will be turned over to the treasury department for investment in future liberty loans.

Any sort of property belonging to agents or citizens of these countries is subject to seizure. If it apparently is owned privately in good faith and nonmilitary in nature, it will be returned at the end of the war.

Whether property belonging to naturalized enemy aliens residing in this country will be seized depends on a decision from the president. Pending this, it will not be touched.

Business Men's Volley Ball Tournament

Y. M. C. A. Tuesday, October 30th

Seven O'clock P. M. Admission Free

QUALITY FIRST

Young Man

Will it go into a houseful of cheap, gaudy stuff that will be shabby and worn out before you are through paying for it? Or are you going to squander many extra months' savings by paying exorbitant prices?

The furniture you put in your home is an investment. It represents your hard-earned savings, of months and possibly years. But more even than the money it costs, it represents an investment of perhaps a thousand self-denials on the part of the little girl to whom you have promised so much. What are you going to do with this investment?

That young lady deserves the very best that you can afford. Give her a home which she will be glad to keep nice for your sake. One which she will be proud to show her friends. Get her the best within your means.

Get It at Moore's

We don't handle cheap, imitation, quarter-sawn stuff. But even if your outlay must be limited, we will sell you good, serviceable, honestly guaranteed goods of quality at about the price of plunder.

You want—you need Moore's good furniture in your new home. Bring the little girl along and let us show you how cozy and comfortable we can make it for just a moderate outlay. Let us show you the remarkable bedroom bargains we are showing, the money-saving prices on rugs and linoleums.

You'll both be proud and happy to begin with Moore's furniture, and remember it is not necessary to wait until you have all the money to start to housekeeping, for we sell either

OHIO WOMEN BACK TASK OF RAISING FUND

Veritable City on Thirty Acres
Adjoining Camp Planned for Families and Friends of the Soldiers.

By Associated Press Dispatch.

Camp Sherman, Chillicothe, O., October 26.—A comprehensive plan for the accommodation of families, relatives and friends of the selective draft soldiers at Camp Sherman has been announced of Major Gen. Glenn. It followed a recent conference with representative women of various Ohio cities who have pledged themselves on behalf of the women of Ohio to raise approximately a million dollars for the project.

The project includes the development of thirty acres of land practically within the cantonment, the purpose of which is to furnish homes for five hundred families in addition to accommodations for transients and visitors to the camp who, through lack of facilities, are unable to secure such accommodations in the city of Chillicothe. Small cottages are to be erected. They will surround a central "rest house" that is to be built by the Red cross at a cost of \$75,000. As much more for other central structures or work that will be done in connection with the miniature city scheme has been appropriated by the Red Cross.

"Soon after arrival at Camp Sherman," said General Glenn, "it was appreciated that something must be done to provide suitable place where the soldiers can meet their families and friends, a mother may visit her son, a wife may visit her husband, and the Ohio soldiers may have their families, relatives, friends, sisters and sweethearts visit them under proper surroundings, where there may be reunions of friends and where families may establish at reasonable cost temporary homes, in which they can have their husbands or sons with them until the division is sent abroad.

"A plan has been devised and developed to accomplish this. It has received the unqualified endorsement of the Red Cross Society of America, the War Department Commission of the Training Camp Activities and of the Y. M. C. A., and became a reality through the motion of the Ohio women who not only endorsed the plan but positively directed that the work of construction should begin at once. Ground will be broken for the first structure this week.

"The Red Cross a few days ago authorized the expenditure of necessary funds for the construction of a central unit to be known as a "rest house," in which is to be combined a number of essential features: a large restaurant, an auditorium, a lounge room, a library, writing rooms, rest rooms, amusements of various kinds, tele-

Home Card
UNITED STATES FOOD ADMINISTRATION
WHAT YOU CAN DO TO HELP WIN THIS WAR.
See other side showing why you should do it.

Our problem is to feed our Allies this winter by sending them as much food as we can of the most concentrated nutritive value in the least shipping space. These foods are wheat, beef, pork, dairy products, and sugar.

Our solution is to eat less of these and more of other foods of which we have an abundance, and to waste less of all foods.

Bread and cereals.—Have at least one wheatless meal a day. Use corn, oat, rye, barley, or mixed cereal rolls, muffins, and breads in place of white bread certainly for one meal and, if possible, for two. Eat less cake and pastry.

As to the white bread, if you buy from a baker, order it a day in advance; then he will not bake beyond his needs. Cut the loaf on the table and only as required. Use stale bread for toast and cooking.

Meat.—Use more poultry, rabbits, and especially fish and sea food in place of beef, mutton, and pork. Do not use either beef, mutton, or pork more than once daily, and then serve smaller portions. Use all left-over meat cold or in made dishes. Use soup meat freely. Use beans; they have nearly the same food value as meat.

Milk.—Use all of the milk, waste no part of it. The children must have whole milk; therefore, use less cream. There is a great waste of food by not using all skim and sour milk. Sour milk can be used in cooking and to make cottage cheese. Use buttermilk and cheese freely.

Fats (butter, lard, etc.).—Dairy butter has food values vital to children. Therefore, use it on the table as usual, especially for children. Use as little as possible in cooking. Reduce the use of fried foods to reduce the consumption of lard and other fats. Use vegetable oils, as olive and cottonseed oil. Save daily one-third of an ounce of animal fat. Waste no soap; it contains fat and the glycerine necessary for explosives. You can make scrubbing soap at home, and, in some localities, you can sell your saved fats to the soap maker, who will thus secure our needed glycerine.

Sugar.—Use less candy and sweet drinks. Use less sugar in tea and coffee. Use honey, maple syrup, and dark syrups for hot cakes and waffles without butter or sugar. Do not frost or ice cakes. Do not stint the use of sugar in putting up fruits and jams. They may be used in place of butter.

Vegetables and fruits.—We have a superabundance of vegetables. Double the use of vegetables. They take the place of part of the wheat and meat, and, at the same time, are healthy. Use potatoes abundantly. Store potatoes and roots properly and they will keep. Use fruits generously.

Fuel.—Coal comes from a distance, and our railway facilities are needed for war purposes. Burn fewer fires. If you can get wood, use it.

GENERAL SUGGESTION.

Buy less; cook no more than necessary; serve smaller portions. Use local and seasonal supplies. Patronize your local producers and lessen the need of transportation.

Preserve and practice the "gospel of the clean plate."

We do not ask the American people to starve themselves. Eat plenty, but wisely, and without waste.

phone service, space for managers, etc. In a word, it will be a place where relatives and friends can come, can secure all the necessary information about the camp and can visit their own people in the camp.

"This committee of Ohio women," continued General Glenn, "has completed the entire development by ordering the construction of necessary dormitories, apartments, school houses, garages, play grounds and utilities for the temporary accommodation and occupancy of those who desire to visit or reside in what will be known as the 'Camp Sherman Annex.'"

General Glenn was careful to explain that the development was in no sense a charity. He emphasized that the rooms, dormitories and apartments are to be rented at a fair rate, to be determined by the committee in charge of the development under his direction. He incidentally made it clear that the city of Chillicothe could not properly meet the wants and that as a private venture the Camp Sherman Annex would necessarily lack that control of the division command, or absolutely essential to secure the objects aimed at; viz: reasonable rents and avoidance of objectionable features involving the moral welfare of the camp.

Officers who have known of the general intentions for several days are elated over the possibility of it being carried out through the aid of the women of the state.

SLOW PROGRESS ON SCHOOL BUILDINGS

Progress on the several new school buildings under way in Fayette county has been somewhat slow, on account of inability to obtain material and workmen.

In Marion township the new building, located on the Waterloo pike, is ready for the roof, the brick walls having been completed this week.

In Union, the building on the Greenfield pike is well along, and work, which has been delayed by lack of material, is now moving rapidly. The walls are well under way.

At Chaffins, on the Jamestown pike, the walls have been completed to a height of several feet. At Culpepper, or Eber, on the Prairie pike, the excavation work has been finished.

In Paint township the building at Bookwalter is well under way, and the work of laying brick will soon be completed, the walls at the present time being up to the second floor. At Yatesville the foundation walls alone have been constructed, the excavation work having been completed last summer.

NOTICE OF APPOINTMENT

October 19, 1917.

HOPES THE WOMEN WILL GET BALLOT

(By American Press)

Washington, Oct. 26.—President Wilson gave full indorsement to woman suffrage as an immediate issue in every state.

He told a delegation of a hundred members of the New York state woman suffrage party that he hoped their campaign would be successful and urged men of all parties in New York particularly to vote for suffrage. Neither the president nor Mrs. Norman De R. Whitehouse, who as spokesman for the delegation asked the president for an expression on the campaign, made any reference to the White House picketing activities of the militants of the woman's party.

Explaining his leaning toward suffrage as a state, rather than national issue, he said: "I perhaps may be touched a little too much by the traditions of our politics—traditions which lay such questions entirely upon the states, but I want to see communities declare themselves quickened at this time and show the consequences of the quickening."

In his address, delivered in the east room of the White House, in response to remarks by Mrs. Norman De R. Whitehouse, among other things Mr. Wilson said:

"It is with great pleasure that I receive you. I esteem it a privilege to do so. I know the difficulties which you have been working under in New York state, so clearly set forth by Mrs. Whitehouse, but in my judgment these difficulties cannot be used by the leaders of any party or by the voters of any party for neglecting the questions which you are pressing upon them. Because, after all, the whole world now is witnessing a struggle between two ideals of government."

"It is a struggle which goes deeper and touches more of the foundations of the organized life of men than any struggle that has ever taken place before, and no settlement of the questions that lie on the surface can satisfy a situation which requires that the questions which lie underneath and at the foundation should also be settled and settled right. I am free to say that I think the question of woman suffrage is one of those questions which lie at the foundation."

"As one of the spokesmen of a great party, I would be nothing less than obeying the mandates of that party if I gave my hearty support to the question of woman suffrage which you represent, but I do not want to speak merely as one of the spokesmen of a party. I want to speak for myself and say that it seems to me that this is the time for the states of this Union to take this action."

"It is almost absurd to say that the country depends upon the women for a large part of the inspiration of its life. That is too obvious to say, but it is now depending upon the women also for suggestions of service, which have been rendered in abundance and with the distinction of originality. I therefore, am very glad to add my voice to those which are urging the people of the great state of New York to set a great example by voting for woman suffrage. It would be a pleasure if I might utter that advice in their presence. Inasmuch as I am

Forest Mills
KNIT UNDERWEAR
FOR WOMEN AND CHILDREN

MEETS Fashion's demand for slender lines; comfort's demand for fit without-a-wrinkle; health's demand for cozy warmth-without-weight, and economy's demand for durability at a price to fit every purse.

WORLD'S CROPS

(By American Press)

Washington, Oct. 26.—The world's wheat crop is one per cent less than it was last year for the countries that thus far have reported to the international institute of agriculture at Rome. Cablegrams to the department of agriculture from the institute place the production at 1,775,000,000 bushels. Production of rye shows a 5.2 per cent decrease; barley, a decrease of 6.3 per cent, and rice a decrease of 10.7 per cent. Corn production increased 25.7 per cent over last year and oats 16.3 per cent.

WORTH THEIR WEIGHT IN GOLD

No man can do his best when suffering from backache, rheumatic pains, swollen joints or sore muscles. B. H. Stone, 840 N. 2nd St. Reading, Pa., writes: "For months I was unable to attend to business. I used Foley Kidney Pills and soon the pains and aches were gone. They are worth their weight in gold to me." Blackmer & Tanquary, advt.

FOUND—On the street, Monday morning, money. Owner can have same by describing at this office. 250 14

SLIGHT PROSPECT OF GETTING COAL

(By American Press)

London, Oct. 25.—The French forces in the Aisne region continue to develop their success and have made a rapid advance over a front of about six miles, capturing important German positions and thousands of prisoners.

Following up minor successes the French have again attacked, forcing the Germans to abandon Monkey mountain, east of Vauxaillon, the village and forest of Pinon, the village of Pargny-Filain, on the extreme east of the line, and numerous fortified farms and other points of vantage.

The latest drive of the French brings General Petain's army, within sight of the important railway junction of Laon, the objective sought for, which now is a scant eight miles distant. Large quantities of war stores were abandoned by the enemy in their retreat and additional guns and prisoners were captured. The number of prisoners taken since the drive began now exceeds 12,000, more than 200 of whom are officers.

An indication of the rapidity with which the drive has been carried out is the total number of guns the Germans were forced to leave behind them. These amount to 120, among them several howitzers.

On the 25-mile front running from Monte Rombon to the Bainsizza Plateau, the battle between the Austro-German forces and the Italians apparently is growing in intensity, with the Austro-Germans the aggressors, but with the Italians stubbornly resisting everywhere.

Although the German war office asserts that gains have been made at various points along the line, the Italian official communication does not concede any losses except on the east bank of the Isonzo, south of Monte Rombon.

Not alone does the German war office assert that the Italian line barring the way to the valley of the Filtach basin and to Tolmino was overrun and that positions also were captured on the Bainsizza Plateau, but that large quantities of booty were taken by the Austro-Germans and that more than 10,000 prisoners fell into their hands, including divisional and brigade staffs.

While the operations on the Ypres sector of the front in Flanders continue to be carried out mainly by the artillery, with the British and French guns hurling the greater weight of metal, the Germans have launched another strong counter-attack south of Houtholst forest, where the British and French armies have joined hands.

The retirement of the Germans on the northern Russian front continues. The enemy now is back as far as the Rodenpois-Turkain line, approaching the Dvina river region. Behind them the Germans are destroying everything on the 15-mile front over which they are retreating.

On the Gulf of Riga, the Germans have attempted a further landing on the Werder peninsula in order to harass the Russian right wing, but were stopped by the Russian fire. Possibly in view of the operations of German naval units, at the head of the Gulf of Finland, the civil population is evacuating Kronstadt, the great Russian fortress and naval base near Petrograd.

PIE SOCIAL.

NEW DRAFT RULES MAKE BIG CHANGE

(By American Press)

Washington, Oct. 25.—New regulations for applying the army draft are completed and will be submitted to President Wilson for final approval. The president already has approved the general plan, under which all registered men not yet called will be classified in five groups in accordance with their availability for military service.

Provost Marshal General Crowder cleared up the question as to how the draft numbers held by nearly 9,000,000 uncalled registrants will be applied to the new classifications.

In each local district the key made up from the draft numbers in the order of their drawing will be applied to each class or group. In other words, the men of class 1, in which will be placed those of the least value at home and with the slightest obligations to dependents, will be called in the order of their serial numbers, until that class is exhausted, just as though all other classes had been exempted. When class 1 is exhausted, the same process will be applied to class 2 and so on down to class 5, if it ever should become necessary to carry it that far.

Thus a man whose serial number in the great war army lottery had led him to believe that he would be among the last summoned, may be assigned to the first class and ordered into service with the first quota. On the other hand, another whose number assured him originally a place with the next increment may be so classified as to make it virtually certain he never will be called.

CUT THIS OUT—

IT IS WORTH MONEY

DON'T MISS THIS. Cut out this slip, enclose with 5c to Foley & Co., 2835 Sheffield Ave., Chicago, Ill., writing your name and address clearly. You will receive in return a trial package containing Foley's Honey and Tar Compound for coughs, colds and croup; Foley Kidney Pills and Foley Cathartic Tablets. Blackmer & Tanquary, advt.

THE ALLIES NEED SHIPS, WHEAT, HOGS

(By American Press)

Washington, Oct. 25.—In a statement reviewing the world food situation, Food Administrator Hoover said the fight against the submarine would be won if the United States and Canada could stimulate production and effect economies, so as to feed the allies from this continent without sending a ship farther afield than the American Atlantic seaboard.

Ships, wheat and hogs are the great needs emphasized by Mr. Hoover. He said deepest concern had been caused by the fact that in spite of high prices this country's pork consumption had increased during the war, until production had been outstripped; a situation that must be changed.

"We need a Keep-a-Pig movement in this country," he said. "If we discontinue exports," Mr. Hoover added, "we will move the German line from France to the Atlantic seaboard. Pork products have an influence in this present world situation wider than one would ordinarily attribute to them. The human body must have a certain amount of fat; we must in cease production of hogs, if we are to answer the world's craving."

As to wheat, the administrator said the allies' deficiency of production is 196,900,000 bushels, with imports of 577,700,000 bushels required to maintain normal consumption. He estimated the aggregate American, Canadian, Australian, Indian and Argentine export surplus at 770,000,000 bushels, but pointed out that lack of shipping made it necessary for this country and Canada to bear the burden of meeting the allies' deficit. "The problem is thus simply one of ships," he said.

CONDEMNING WAY FOR THE TRACTION

Condemnation proceedings have been instituted by the Hillsboro, Cynthiana, Bainbridge and Chillicothe Traction Company, and it is proposed to push the line through from Hillsboro to Chillicothe with as little delay as possible.

The demand for such a line has increased by leaps and bounds since the cantonment camp was located at Chillicothe, and active work is expected by early spring.

HALLOWE'EN PARADE WEDNESDAY EVENING

The big Halloween parade, for which a great many are now preparing, will be held Wednesday evening of next week, and the parade will move from in front of the Y. M. C. A. at seven o'clock, sharp. The public is invited to take part.

The paraders will march through the business section of the city, and following the demonstration there will be plenty of entertainment at the Y. M. C. A.

The War Board of Ohio Today Says:

Use October beans—pink and speckled—the last beans of summer! Remember that beans have nearly the same value as meat. Use them in place of meat.

Herbert Hoover, America's Food Administrator, calls on Ohioans to save one ounce of meat per person per day. By doing this, says Hoover, we can send our fighting Allies what they need.

Beans are a ready substitute. The simplest way to cook them is to boil them in salted water with a bit of red pepper. Drain off water and serve with meat drippings—NOT—meat—for seasoning.

To boil a pint of beans as directed, drain and put in pan with one tablespoon of fat and cook to rather a dry mass, mashing them as they cook. Serve on platter, shaping beans like meat roll, and garnish with parsley.

UNION DELIVERY System Changes

In compliance with the repeatedly announced policy of the government, in an effort to conserve energy and to reduce unnecessary expenditure of time and money, we the undersigned will co-operate with the Union Delivery System in establishing a new schedule calling for one less delivery each day. Beginning on November 1st the daily deliveries will be made as follows:

MORNING

1st Leaving the stores at 7:30 A. M.
2nd Leaving the stores at 10:00 A. M.

AFTERNOON

1st Leaving the stores at 2:00 P. M.
2nd Leaving the stores at 4:00 P. M.
Saturday night 8:30 P. M.

We believe that once established the new schedule will give much better satisfaction.

We ask the co-operation of patrons in so timing their orders that the new order will fit in with the least possible inconvenience.
